**Date:** Thursday, March 28, 2019 7:19:57 PM

Adam/Steve,

As discussed this morning, we have 2 SCAT teams and 2 RAT teams planned for tomorrow, and are looking for EPA (or designee) representation on at least the two SCAT teams to ensure multiagency (RP, EPA, TCEQ) participation. Please confirm whether you can accommodate this request. I understand that resources are limited, so if you cannot provide EPA (or designee) participation for the SCAT teams going forward, please confirm your acceptance that we continue with SCAT surveys without federal representation.

Cheers,

**Helen Dubach**
